Chlorinated Stain Remover, Disinfectant & Deodoriser

# DUX LIQUID BLEACH

SANS 1853

Registration No: Act5GNR529/250295/072/0346

## 3-In-1 Stain Remover Disinfectant Deodoriser- Regular, Lemon, and Potpourri Scented

### DESCRIPTION

DUX LIQUID BLEACH is used for whitening and preventing greying of garments. Also used for removing stain such as tea, coffee, albumin etc. It effectively kills most common germs and bacteria leaving surfaces clean and germ free. DUX LIQUID BLEACH is a highly effective disinfectant used on all hard surfaces such as floors, walls, toilets, urinals, sanitary bins, refuse bins and so much more. It's unique chemical composition assists in fast neutralization of unpleasant odours and effective sanitising all-in-one operation.

DUX REGULAR LIQUID BLEACH bears the SABS SANS 1853 mark.

### DILUTION RATES

For Stain removal / Soaking applications dilute 5ml to 1 Litre of water.

For Whitening of fabric dilute 10ml to 1 Litre of water.

For Machine use add 25ml to bleach hopper of machine.

For General Sanitising of drains, toilets etc dilute 25ml to 1 Litre of water.

For Effective Disinfection dilute 100ml to 1 Litre and allow contact time of 5 minutes.

Diluted product can be stored for at least 3 months.

Disinfection efficiency may be compromised when cleaning heavily soiled surfaces.
