Concentrated Disinfectant

DUX SUPERBAC PINE

Concentrated Disinfectant

NRCS Registration No: NRCS/8054/250295/1349

DESCRIPTIONS

A superior 3-in-1 concentrated disinfectant, deodoriser and all purpose cleaner with a long lasting Pine fragrance. It effectively kills most common germs and bacteria, leaving surfaces in your home clean and germ free. Dux Superbac Pine is a highly effective disinfectant and all purpose cleaner, designed to be used on all hard surfaces such as floors, walls, toilets, urinals, sanitary bins, refuse bins and so much more. For use in industrial, domestic and institutional areas. Its unique chemical composition assists in fast neutralisation of unpleasant odours and effective sanitising all in one operation. Dux Superbac Pine does not contain any bleaches, alcohol or ammonia, making it a great non toxic, environmentally friendly cleaner, disinfectant and deodoriser.

DIRECTIONS FOR USE

For areas where *sanitation* is required dilute 1 part to 100 parts of water.

For *general cleaning* and sanitising dilute 1 part to 50 parts of water.

For *heavily soiled surfaces* dilute 1 part to 20 parts of water.

For *effective disinfection* dilute 1 to 20 parts of water (5%) and allow contact time of 5 minutes.

Diluted product can be stored for at least 3 months.

Disinfection efficiency may be compromised when cleaning heavily soiled surfaces.

Rinse food contact surfaces with clean water after use.

ACTIVE INGREDIENT

Benzalkonium Chloride Solution 3.5%

CAUTION

Keep out of reach of children / Avoid contact with skin and eyes. Not intended for internal use. Storage: Keep in cool, dry ventilated area at room temperature. Do not mix with any other detergent unless specified by manufacturer.
