Description

Dromex® 100% cotton poplin, long-sleeved, formal button down shirts are a relaxed fit range that consists of natural fibres providing the user with comfort and breathability.

These Dromex® corporate-style shirts are available in five versatile colours: White, Stone, Sky Blue, Navy Blue and Black. They are ideal for corporate use with Chinos or smart/casual use with Denims.

The shirt construction features the following:

- Double layered yoke.
- Button closure shirt.
- Button down collar.
- Long sleeves with placket, double knife pleat, cutt, 4 hole plastic buttons and Gauntlet buttons.
- V-shaped chest pocket
- Curved hem

Special Instructions

None of the materials or processes used in the manufacture of these products are known to be harmful to the wearer.
The manufacturer has examined under the system for ensuring quality of production by means of monitoring and inspection.
These shirts are designed to accommodate the basic requirements of clothing. Actual conditions of use cannot be directly simulated in a test environment therefore it is the responsibility of the end user and not the manufacturer or supplier to determine the garment suitability for the intended use.

DW-FORM Shirts are packed in individual polybags and sold as 8 units.

Cleaning & Maintenance

The following suggestions will help keep your garment in good condition:

- Cotton garments can be cleaned by home cleaning or commercial laundering provided all the recommended conditions and settings are adhered to.
- Should home procedures not remove contaminants, then dry cleaning is recommended.
- Our recommended cleaning for these garments is as follows:
 - Wash separately with like colours.
 - Pre-treat greasy stains and wash the shirts in warm water with a light cleaning solvent.
 - Do not use bleach or use products containing bleach as fading and reduced fabric strength may occur.
 - Thoroughly rinse the shirt.
 - Do not hang in direct sunlight as this may cause fading.
 - Iron the garment on low heat.
 - When using commercial laundry aids, be sure to read and carefully follow the manufacturer's instructions.

Disposal

All waste should be disposed of correctly according to local regulations and good disposal practice. Please consider recycling.
