

Do you TAEKI®?

Technical Food Series

Food approved gloves and sleeves
for high mechanical & heat protection

Composition

- 100% TAEKI5® fiber
- Light, medium or heavy weight construction
- Multiple sizes and lengths
- Multiple colors: Blue, Red, White, Dark

Properties

- High cut resistance
- Heat contact resistance
- High abrasion resistance
- Multiple washing cycles
- UV resistance. Keep full properties and color in contact with light
- Sanitized® treated
- Lint Free

Typical Handling

- Food processing
- Boning and carving
- Fish filleting
- Meals preparation
- Food handling

20 YEARS

**TAEKI HAND ARM
BODY PROTECTION**

Did You **KNOW**?

EUROPEAN TECHNOLOGY

TAEKI5® is a high performance composite fiber engineered from core material produced in Europe and developed exclusively with Hand, Arm and Body protection in mind.

EN388

EN407

EN511

WHAT PROTECTION?

Taeki5® brings you for your hand, arm and body the following high protection level:

- High Abrasion Resistance
- High Cut Resistance
- High Heat Resistance
- Lint Free
- No change of properties to light and UV exposition
- Keep full properties to numerous washing and drying cycle
- Comfort and fitting
- Available in a variety of color, coating and designs
- But also chemical, cold, impact, puncture and anti vibration resistance...

WHICH APPLICATION?

We have developed a variety of styles to meet all industries needs and the toughest environment:

- Military and police force
- Law enforcement
- Crowd management
- Sharp Steel
- Glass handling
- Mining and construction work
- Aeronautic
- Automotive
- General maintenance
- Clean room application
- Food processing
- Electronic
- All industries requiring the highest quality and lower cost of ownership

WHICH STANDARD?

All our Taeki5® products meet the toughest quality, safety and environmental standards in the World:

- EN388 cut level 5
- ANSI/ASTM Cut level 4 to 5
- EN388/ ANSI/ ASTM
- Mechanical resistance standard
- EN407/ ANSI Heat resistance standard
- EN511 Cold resistance standard
- ANSI S3.40/ EN ISO 10819
- Antivibration standard
- AS2001.5.4-2005 and
- ISO6330:2000 washing standard
- ISO 9001-2000 and 14001
- REACH EC 1907/2006
- FDA

Do you **TAEKI**®? Now you **DO** !
