

J54 REFLECTIVE CARGO PANTS

DW-CARGO-PRT

Description

Dromex® J54 navy blue, high visibility cargo pants is lightweight and designed to provide the user with comfort, especially when working in hot and humid environments.

The 100% cotton satin weave finish and natural fibre construction makes these pants breathable and durable.

The J54 pants design features the following:

- A concealed brass DRO zip with metal button closure at waist.
- Two front swing pockets. Front right side with money pocket.
- Two rear mitred open pockets. Right side rear pocket with Dromex® sidewinder label and 1 x 25mm Hook and Loop closure.

- Mitred cargo side pockets with mitred flaps and 2 x 25mm Hook and Loop closure.
- The cargo pocket on the right leg consists of a cell phone division.
- Seams are triple needle topstitched for added durability.
- A solid waistband for optimum fit with 7 belt loops.
- High visibility silver reflective tape on legs for enhanced visibility when working in poor lighting environments.

This garment is suitable for use in general work environments such as agriculture, mining, logistics, warehousing, maintenance and repairs.

Should there be visible damage such as tears, it is recommended to replace the garment immediately.

Special Instructions

None of the materials or processes used in the manufacture of these products are known to be harmful to the wearer. The manufacturer has examined under the system for ensuring quality of production by means of monitoring and inspection. These cotton pants are designed to accommodate the basic safety requirements and standards for Personal Protective Equipment. The information contained herein is intended to assist the wearer in the selection of personal protective equipment. Actual conditions of use cannot be directly simulated in a test environment therefore it is the responsibility of the end user and not the manufacturer or supplier to determine the garment suitability for the intended use. These pants should be thoroughly inspected before use to ensure no damage is present.

Cleaning & Maintenance

- The following suggestions will help keep your garment safe and neat:
- J54 pants can be cleaned by home cleaning or commercial laundering provided all the recommended conditions and settings are adhered to.
- Should home procedures not remove contaminants, then dry cleaning is recommended.
- Our recommended cleaning for these garments is as follows:
 - Pre-treat greasy stains and wash the garment in warm water with a light cleaning solvent.
 - Do not use Hypochlorite bleach or detergents containing Hypochlorite bleach as fading may occur.

- Do not tumble dry garments.
- Thoroughly rinse the garment to remove any wetting agents.
- Do not hang in direct sunlight as fading may occur.
- When using commercial laundry aids, be sure to read and carefully follow the manufacturer's instructions.
- Iron the pants on low heat.
- Do not iron on reflective tape.
