

STAINLESS STEEL CLEANER & POLISH

AEROSOL

Application

Ideal for stainless steel, chrome, laminated plastics and aluminum surfaces. With a high-gloss formula, it wipes clean with no streaks or buildup, resists fingerprints and masks surface blemishes. Pleasant fragrance.

Directions for Use

- Shake can well before use
- Point spray tip 12-25cm from the surface
- Spray evenly across the surface, or on a clean, Dry cloth.
- Polish with a clean, dry cloth until dry to touch. Repeat if necessary.
- For Heavy soiling: Use a scrubbing pad, apply Stainless steel polish onto the surface, rub in the direction of the grain, and using a clean dry cloth polish to a high shine.
- Do not use as a glass cleaner

Advantages

- Cleans and polishes in one step
- Leave a non greasy shiny surface
- Pleasant fragrance
- Resists water and streaks
- Reduces fingerprinting
- Marks Blemishes
- Leaves a light protective coating
